A rich display

Hamann had one of the most diverse displays at Essen with their complete range on display, including the wide body MINI with colored Hankook tires

orange Hankook tires, through to their bright red Ferrari Fiorano, the 911-based Stallion with the chopped roof and some of the cars already seen at the Quatermile stand at Dubai Motorshow last month.

Hamann again had one of the most extensive ranges at the show, showcasing everything they do for the BMW, Porsche, Lamborghini, Ferrari and Mini cars. Their vibrant stand had it all; from wide body Minis with
